

Corporate Schemes

We specialise in creating whole ranges of product to form corporate schemes

Pantone Colours

We are able to produce products in made to order colours, subject to minimums and longer than normal lead times

Corners

Most of our products can be supplied with a range of metal corners fitted if required

Metal badges

All our products can be branded prior to assembly, by rivetted on metal badges. These are custom made, and require a minimum of 500pcs.

Zip Pullers

We offer a service, for custom made zip pulls, on any article with a minimum quantity of 500pcs

Boxes and Packaging

We can create bespoke packaging for minimums of 500pcs, using card and polypropylene

Embroidery

We are able to embroider logos as an alternative means of branding, on a made to order basis

Special Linings

We can custom make linings with logos if required

Micro Moulded Badges

We produce tailor made badges for decoration, which are sewn on prior to product assembly as a made to order option.

Miscellaneous

We can offer logo's using embroidery, metal cast and engraved badges and resin domed 'bubble' badges. All of these are only available made to order.
